Please complete form, sign and email to toni@turtlecovegolfcenter.com. We require a 10/1 student/chaperone ratio. Lunch orders must be finalized at least 7 days prior to event. No changes or substitutes on day of event. Please note we do not allow any outside food or beverages. Lunches are served buffet style under our Event Tent. Please submit tax exempt form with food and beverage order, if applicable. We are an approved vendor with the NYC DOE. Please contact us for vendor number.

Enjoy your visit safely!

We suggest the following preparations for your visit:

Mini Golf: Divide your group into smaller teams. Each team will start on a different hole and will play through until everyone plays 18 holes. This avoids wait time and everyone can begin play at once. Each group will receive 1-2 putters. Each player will receive a mini golf ball. Please be sure to collect all balls and putter and return to cashier.

Batting Cages: We will give you batting cage tokens that you can distribute to your group. We suggest using cages 1-4 for younger groups. Only 1 person in the cage at a time. Helmets are mandatory. Helmets and bats are complimentary. Be safe! The youngest age for the cages is 7. Please visit our batting cage page on our website for safety regulations.

Driving Range: We will reserve a portion of the tee line for your group. Range balls and clubs will be provided. Only 1 person at a time hitting in a bay. Everyone else who is not hitting must remain behind the yellow line for safety.

Upon arrival you may have your group meet under the Event Tent, if available. If you have ordered lunch, this is the area where you will have lunch. Please go to the cashier where you will remit payment. After payment we will direct you to your activities. We ask that there is at least one chaperone present at each activity to supervise and make sure safety precautions are followed.

If you have not pre-ordered lunch on the Field Trip Form and you wish to have lunch, we suggest upon arrival to place your orders, remit payment and tell the cafe what time you would like to have lunch. This will give them time to prepare your lunches. Some of our lunch options on this form are kids portions. If you want regular size portions, we suggest you order from our regular menu which you will find on our website under Tony's Place. Also note due to the wood-fired pizza oven, our pies are smaller than a regular pizza oven.

Thank you and please feel free to contact me should you have any questions. We look forward to your visit.
