To ensure the best possible experience we ask that you adhere to the following:

Upon arrival, please check in at the cashier kiosk. This is also where you will remit your final payment. We do not permit any outside food or beverages. The only outside food permitted is a cake/cupcakes. Please feel free to bring temporary decorations that you can easily remove without any damage at the end of your event. Please feel free to bring plastic table covers for the picnic tables.

A catering deposit is required at time of order and the tent deposit in the amount of \$200 is required at the time of booking to hold the date. Dates are reserved on a first come first serve basis. We must receive your signed contract and deposit to secure your event date.

All catering and food and beverage orders must be received at least 2 weeks prior to event. At that time, we will email you an invoice for final approval. All food and beverage are subject to tax. No adjustments or refunds will be given on day of event.

Please feel free to contact us if you are in need of any further clarification on the above. We thank you for your cooperation. Once again, thank you for your business and patronage, and we look forward to seeing you soon.

I have read, understand and agree to the above terms.
